If these prospects have already purchased an book from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the brand new book, however do not embrace a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Be certain your gross sales copy is exactly the identical

on each page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum worth is.

Ultimately, should you've written a guide that solves a drawback or presents a new technique, your e-book will bring in each traffic and profits.
