An effective technique for determining a price is to ship out a survey to your present customers. If these clients have already bought an book from you, ask for his or her opinion by way of price. Do this by making a sales web page for the new book, however don't embody a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Make certain your sales copy is precisely the identical on every

page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, if you happen to've written a book that solves a problem or presents a new approach, your e-book will usher in both visitors and profits.
