An effective technique for determining a value is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the new guide, but don't embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is exactly the similar on

each page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, in the event you've written a e-book that solves a drawback or presents a new technique, your book will usher in each traffic and profits. So you'll want to write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your 1375 e-book will likely be to the customers who purchase it.
