Another technique is to check out costs by making a number of duplicate sales pages with different prices on each page. Be certain that your sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum worth is.

Finally, if you happen to've written a book that solves a problem or presents a brand new method, your e book will usher in both traffic and profits.
