Do that by creating a sales web page for the brand new e book, however don't include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different prices on each page. Be sure that your gross sales copy is precisely the same on

every web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum price is.

Ultimately, if you happen to've written a ebook that solves a drawback or presents a brand new approach, your ebook will herald both visitors and profits.
