Do this by making a sales web page for the new guide, however do not embrace a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on every page. Ensure that your sales copy is precisely the similar on each page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

In the end, should you've written a book that solves a downside or presents a new method, your ebook will bring in each site visitors and profits.
