## Advertising Methods

piece of sales and promotional material, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously on-line, there are several other methods that may help you promote more books.

One is to give something away totally free together with your e-book, resembling a useful bonus item. Or bundle a number of ebooks under one price, which lowers the worth for each e book if they have been bought separately.

An efficient approach for figuring out a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new ebook, however don't embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with different costs on every page. Make sure your gross sales copy is strictly the same on each page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.

Ultimately, if you've written a e book that solves a drawback or presents a new method, your e-book will herald both site visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your 1766 guide shall be to the shoppers who buy it.
