An effective technique for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion when it comes to

price. Do that by creating a gross sales web page for the new e book, but do not embrace a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Make certain your sales copy is strictly the same on each page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.
