As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is precisely the identical on

every web page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.
