Do that by creating a gross sales web page for the brand new ebook, but do not embrace a value on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be sure your gross sales copy is precisely the identical on each page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum value is.

In the end, in case you've written a e-book that solves a drawback or presents a new method, your guide will herald each visitors and profits.
