Do that by making a sales page for the brand new guide, however do not embrace a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on each page. Be sure your sales copy is precisely the similar on every web page,

and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum price is.

In the end, if you've written a e book that solves a downside or presents a brand new technique, your guide will herald each traffic and profits.
