Another technique is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Make sure your gross sales copy is strictly the similar on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, if you happen to've written a book that solves a problem or presents a new technique, your e-book will bring in each traffic and profits.
