In case your guide is geared toward fixing one specific problem quite than common advice, then you can cost more. Start at the highest price the market will bear to bring in the largest earnings, and plan to low cost the guide a number of occasions all through the year.

Another technique is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Be sure that your gross sales copy is precisely the similar on every

page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.
