Do this by making a gross sales web page for the brand new e book, however do not include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Make sure your gross sales copy is precisely the same on each web

page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum price is.

Finally, should you've written a guide that solves a downside or presents a brand new method, your book will bring in both traffic and profits.
