One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is precisely the similar on

every page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum worth is.

Finally, if you've written a ebook that solves a drawback or presents a brand new approach, your e book will herald both visitors and profits.
