If these customers have already purchased an e-book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the new guide, however do not include a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with completely different costs on every page. Be certain your gross sales copy is precisely the identical on each

page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.

Finally, in the event you've written a book that solves a drawback or presents a brand new approach, your e book will bring in each visitors and profits.
