price. Do this by making a gross sales page for the brand new e-book, but do not embody a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with totally different prices on each page. Ensure that your gross sales copy is exactly the similar on every page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Finally, for those who've written a guide that solves a drawback or presents a new technique, your ebook will bring in both site visitors and profits.
