Marketing Methods

The key that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your promoting handle. This sentence states what query or problem your guide answers and the advantages your ebook can provide. Then make sure to use that sentence in every piece of gross

sales and promotional material, and every time anyone asks you about your ebook.

An efficient approach for figuring out a price is to send out a survey to your present customers. If these clients have already purchased an book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new ebook, but don't embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be certain that your sales copy is precisely the similar on each page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.

Ultimately, if you've written a book that solves a problem or presents a brand new approach, your guide will usher in each site visitors and profits.
