An efficient approach for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do this by making a sales web page for the new guide, but do not embrace a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure your sales copy is precisely the identical on every web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, if you've written a ebook that solves a downside or presents a new technique, your guide will herald each site visitors and profits. So make sure you write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your 487 guide will likely be to the purchasers who purchase it.
