One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is precisely the identical on each web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

Finally, when you've written a ebook that solves a problem or presents a new technique, your ebook will bring in each site visitors and profits.
