If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new guide, but don't embody a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different costs on each page. Be certain your gross sales copy is strictly the identical on every page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum value is.

Ultimately, in case you've written a ebook that solves a drawback or presents a brand new technique, your guide will herald both traffic and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the advantages of your 812 book shall be to the customers who purchase it.
