Start at the highest price the market will bear to usher in the largest profits, and plan to discount the book a variety of times all through the year.

An effective technique for determining a worth is to ship out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new e book, however don't embody a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Be sure your sales copy is exactly the similar on every page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a ebook that solves a downside or presents a new technique, your e book will herald each traffic and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your e book solves and what the advantages of your 852 guide can be to the purchasers who purchase it.
