Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on every page. Make sure your gross sales copy is exactly the same on

every web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum worth is.
